Child Safeguarding Statement

Section 1 – NGB / club information

Carrickmines equestrian centre provides horse riding lessons for children from 6 years onwards into adult hood. During the summer months and over most school holidays we run weekly summer camps again for children from 6 years and older. We do not offer or arrange any overnight events. In addition to the horse riding lesson we offer polocrosse lessons for children. These lesson are normally attended by slightly older children from approximately 12 years and upward. Most lessons run for 1 hour duration and children are not encouraged to arrive early or remain in the yard before or after lessons.

Carrickmines equestrian is owned by the O'Leary family and operated by Paul & John O'Leary. The centre caters for a large number of children on a daily basis partaking in horse riding lessons. We employ approximately 10 staff, a mix of yard staff and instructors.

In addition to lessons we offer livery facilities. A number of liveries would be aged from approximately 12 years and older. These groups would also participate in lessons arranged by the centre.

The RDAI use our facilities on a weekly basis during the school term. This is operated exclusively by the RDAI and their volunteers. We, Carrickmines Equestrian Centre do not cater for vulnerable adults.

Section 2 - Principles to safeguard children from harm

Carrickmines Equestrian Centre is committed to safeguarding children and by working under the guidance of our Safeguarding Policies our staff, both volunteers and employed, working with our young people, throughout the organisation, seek to create a safe environment for young people to grow and develop within sport. The following set of principles should be adhered to:

- **Importance of childhood** - The importance of childhood should be understood and valued by everyone involved in sport.
- **Needs of the child** - All children's sport experiences should be guided by what is best for children. This means that adults should have a basic understanding of the emotional, physical and personal needs of young people.
- **Integrity in relationships** - Adults interacting with children in sport are in a position of trust and influence. They should always ensure that children are treated with integrity and respect, and the self-esteem of young people is enhanced.
- **Fair Play** - All children's sport should be conducted in an atmosphere of fair play. The principles of fair play should always be emphasised, and organisers should give clear guidelines regarding acceptable standards of behaviour.

- **Quality atmosphere & ethos** - Children's sport should be conducted in a safe, positive and encouraging atmosphere.
- **Competition** - Competition is an essential element of sport and should be encouraged in an age appropriate manner. A child centred ethos will help to ensure that competition and specialisation are kept in their appropriate place.
- **Equality** - All children should be valued and treated in an equitable and fair manner regardless of ability, age, gender, religion, social and ethnic background or political persuasion.
